

LAKE GASTON RESORT SEAPLANE SPLASH-IN

COME OUT & JOIN THE CELEBRATION!

Lake Gaston Resort is hosting its 2nd Annual Seaplane Splash-in on October 11, 2014! This will be a fantastic event as you will see wonderful and various kinds of seaplanes taking off and landing using one of our two watery "runways". After landing, the seaplanes will taxi up to either the L-shaped pier, or continue on into the beach area to dock. You will be able to talk to the pilots and view their planes up close. There will also be food and drinks, information displays, prizes, music and great times during this special Lake Gaston Resort Seaplane Splash-in.

Also participating in the event will be the Virginia Department of Aviation, the Virginia Seaplane Pilots Association, Mecklenburg-Brunswick Regional Airport, and the National Seaplane Pilots Association.
