

FAMILY FUN CENTER

There has been several perfect games bowled at the Lake Gaston Bowling Center! The highest possible score is 300, achieved by bowling 12 strikes in a row in a traditional single game: one **strike** in each of the first nine frames, and three more in the tenth frame. Any bowler that bowls that perfect game during league bowling receives \$250 cash!

Bowlers with a 300 game this season:

Sean Mathews
Jamie Hargrave

According to mathematicians, the odds of any adult male bowling a 300 game are **11,500 to one.**

Good Job Sean & Jamie!
